※ Departments not listed above will not be recruited.

※ **Medicine** : only for students with Bachelor's degree in Medicine

※ Combined Master and Doctoral Course : This is a course in which the master's and doctoral programs are integrated. After completing the doctoral program without submitting a master's thesis, a doctoral degree is awarded without a master's degree (a total of 4 years of study). However, in case of dropping out of the course midway, those who meet the requirements for obtaining a master's degree can obtain a master's degree by submitting a master's thesis.

※ Journalism and Communications will change its name to the Media and Communication Studies from March 2023

2. Joint Research Institute Graduate Program

- It is course of conducting joint research with a domestic research institute or industry, prior consultation with advisors and research institutes is required.
